Dedication

In memory of Bettie Jane Athey, the Senior Class of 1964 lovingly dedicates this issue of the Cardinal Call.

She was born on December 12, 1945, and died January 20, 1960. She was a classmate of ours from the fourth grade until January of the eighth grade.

Although she is no longer with us, she will always hold a special place in our hearts.

POWER LINE TO PROSPERITY

For every one dollar spent on cooperative lines an estimated \$6 is spent to use the electricity. This means the electric cooperatives have created a billion dollar market for local businessmen.

The cooperative is locally owned — business managed — tax paying . . . owned and operated by the people it serves.
